

Course Presenters

Martin L. Kolinski, DDS

Dr. Martin L. Kolinski has placed over 13,000 implants and has been providing state-of-the-art CE for dental implantology to local restorative dentists for over 20 years. He is a graduate of the University of Illinois College of Dentistry. Dr. Kolinski is a Diplomate of the American Board of Oral Implantology/Implant Dentistry and an active member of the American Academy of Periodontology, as well as the Academy of Osseointegration. Dr. Kolinski has spoken extensively to numerous groups, including the Academy of General Dentistry (AGD), the Chicago Dental Society (CDS), and the American Academy of Periodontology (AAP). Dr. Kolinski is also on faculty at the University of Illinois at Chicago College of Dentistry in the Department of Periodontics.

Tricia R. Crosby, DDS, MS

Dr. Tricia Crosby received her DDS degree and completed a three year post-graduate residency program in Periodontics at the University of Illinois at Chicago College of Dentistry. In addition to her specialty training, Dr. Crosby also obtained a Master Of Science (MS) degree in Oral Sciences and is an elected member of the Omicron Kappa Upsilon National Dental Honor Society. Dr. Crosby is a Diplomate of the American Board of Periodontology, which is the highest recognition for a specialist in the field of Periodontology. Dr. Crosby is on the board of the Illinois Society of Periodontists as well as the Fox Valley Dental Society. Dr. Crosby also maintains an adjunct faculty position at the University of Illinois at Chicago College of Dentistry in the Department of Periodontics.

Dr. Crosby continues to serve as a Clinical Assistant Professor and adjunct lecturer at the University of Illinois College of Dentistry.

Irene Boltz, RDH

Irene Boltz joined our staff in 1986. A graduate of Marquette University, Irene lives in Sycamore and balances her career following the paths of her 3 adult sons. Irene devotes substantial time to advocacy work for families affected by autism. As a result of Irene's experience in the field of Periodontics, as well as her passion for learning and continuing education, a "Lunch and Learn" educational event was begun by Irene and our office in 2008. This interactive presentation affords all dental team members the opportunity to learn and discuss aspects of implant dentistry and understand what their patients can expect after having been referred to our office for treatment.
