ISDS Capital Conference: April 6-7

One Team, One Dream is the theme for this year's Capital Conference to be held at the Crowne Plaza Hotel in Springfield. The Capital Conference is an excellent way to catch up on issues affecting dentistry today. It is also a tremendous opportunity to establish contact with your State legislators. In addition, attendees earn 6.5 continuing education credit hours.

Wednesday morning begins with a legislative briefing, followed by a bus trip to the State Capitol. Upon returning to the hotel, there is an awards luncheon, general session, and breakout sessions. In the evening there is a reception at the Inn at 835, where members can meet with legislators and colleagues and enjoy themselves.

On Thursday morning a breakfast with a keynote speaker is scheduled followed by several additional presentation in the general session.

All ISDS members are invited and encouraged to attend. Each year many FRVDS members participate. For additional details or to register, visit ISDS.org.

Dentist With a Heart Has Another Successful Year

Below are some of the participants in this year's Dentist With a Heart program. See them and others in action on the next page.

From left: Audrey Chu, Dr. Felicia Chu, Dr. Frank Maggio, Dr. Marty Kolinski, Dr. Tricia Crosby, Dr. Elizabeth Sacrey, Dr. Scott Capper, Shenade from Brassler, Dr. Herb Stith, and Dr. Rose Vivirito. Brassler donated materials for the event.

FRVDS Dentists Have Heart

February 2011

Throughout the month of February, Fox River Valley Dental Society dentists opened their offices for one day to provide free dental services to the needy. Here are some highlights.

"...several adult patients had never had their teeth cleaned and so many had not seen a dentist in ten years or more. Our hygienists not only cleaned their teeth but took the time to provide education and dental supplies to take home...Everyone was so grateful! It was a great day and we all felt so good when we were done in soooo many ways!"
--Brenda Francis, Administrative Assistant, Treatment Coordinator, Midwest Dental Implantology, St. Charles

Dr. Jim McGough of Aurora saw many patients for removal of impacted teeth, carious teeth and biopsies. This patient had tooth #16 removed under local anesthesia. Dr. McGough's assistant, Karen Buckley volunteered her time for the day, as well.

Dr. John Waters of Sandwich and his assistant, Sheila Kotechi, visit with a young patient who is all smiles after receiving much-needed dental services.

"This is such a great gift that these offices are giving to these patients...I intend to encourage our members to participate in the 2012 Mission of Mercy in Lake County. I also plan to spend more time in other offices next year!"
--Scott Prose, D.D.S., St. Charles, Northeastern District Trustee

Dr. Tricia Crosby extracts teeth on this patient, following an overdue cleaning.

Dr. Scott Prose of St. Charles pays a welcome visit to Dr. Waters' office to help out. This patient had a prophylaxis done. Another patient received a space maintainer. Dr. Prose also paid a visit to Dr. Andrea Adams' office. At both locations, he did some assisting, cleaning up, and telling bad jokes.

Dr. Marty Kolinski and his assistant, Megan Griffin, work on an extraction.
